Makeover
Of Your DOOR With
Italian
Elegance

Welcome to the exquisite world of
HAANCE by HARRISON,
an Italian Collection; the
PREMIERE OF LUXURY.

In a world where the ordinary won't just cut it
where every detail matters,
a new standard of luxury is emerging.

Introducing HAANCE,
the epitome of premium craftsmanship
and unrivalled aesthetic design.

Haance is not just a door handle
it's a statement, a testament to your exquisite taste.

Imagine the touch of elegance,
the feel of sophistication every time you
reach out to open a door.
With our launch we bring to you a sneak peek
into a world where luxury
meets functionality whispering the tale of
grandeur.

THINK INNOVATE DESIGN DEVELOP EXECUTE

Elevate your home security and style with **HAANCE** - where designing excellence defines our DNA. At the heart of our business is a design-centric focus that transforms your spaces. **HAANCE** Handles, part of our premium modular home, seamlessly blends inspiring ideas and aspirations, bringing innovation to your doors. Discover the elegance of **HAANCE** door handles. An epitome of luxury, each piece is a testament to refined taste and unparalleled sophistication. Crafted with precision, these pieces add an exquisite touch to your doors. Elevate your home aesthetics with **HAANCE**, where style meets functionality. Because with **HAANCE**, every entrance is a grand entrance. Every detail of **HAANCE** is designed with you in mind. So, revel in the beauty of our craftsmanship. Feel the difference, embrace the luxury.

A modern living room with a large window, a grey sofa, and a potted plant. The room is dimly lit, with light coming from the window. The text is overlaid on the left side of the image.

HIGHLY **A**TTRACTIVE **A**RTISTIC & **N**OBLE **C**OLLECTION OF **E**LEGANCE

Three door handles are shown in the bottom left corner. One is black, one is silver, and one is copper. They are arranged in a row, with the black one on top, the silver one in the middle, and the copper one on the bottom.

A photograph of the interior of a dome, likely the dome of the Palazzo Vecchio in Florence. The dome features a series of square coffers, each containing a carved rosette. The dome is surrounded by a decorative frieze with a repeating geometric pattern. The lighting is dramatic, highlighting the intricate carvings and the curvature of the dome.
